

# CORPORATE FLY FISHING DAY

## Our Event

Liquid Horizon would like to offer you a corporate event with a difference.

Ideal for corporate and teambuilding, our unique events take place at magnificent Fizantakraal Private Trout Lodge in the Du Toits Kloof mountains, and consist of a fun day of fly fishing, food and wine.

Guests will be introduced to the gentle art of fly-fishing in a fun and interactive manner, and our on site gourmet chef will demonstrate delicious and innovative ways of preparing fresh trout, as well as serving a full luncheon. There are other activities available, and your own talks and presentations can be incorporated into the itinerary.

We have a variety of different menus to suit your taste and budget, and each event is tailor-made to your requirements.

Our events are suitable for everyone, and prizes can be presented to participants at the end of the day.

## The Venue

It is not often that one comes across a venue so unique and beautiful that it simply speaks for itself. Fizantakraal Trout Lodge is such a place.

Set amongst dramatic mountain scenery on a large private trout farm in the Du Toits Kloof mountains, this elegant private lodge looks out over the Kraalstroom River and four picturesque trout dams snuggled into the valley across the rolling front lawns.

Small groups can be accommodated at the lodge, a Bedouin tent is set up on the lawns for bigger groups.

The farm has recently been incorporated into the Cape Mountain Leopard Trust. There are a number of hidden cameras on the farm with motion detectors that capture many fascinating photographs of these endangered leopards.

There are spectacular flowers, fynbos and birdlife on the farm, as well as additional activities on offer.
