

CORPORATE FLY FISHING DAY

Liquid Horizon would like to offer you a corporate event with a difference - ideal for teambuilding, relaxation or just as a treat to your esteemed clients. Our unique events take place at a magnificent private venue in the Du Toits Kloof mountains, and consist of a day of fly fishing, food and wine.

In a style of Jamie Olivier meets “A River Runs Through It”, guests are introduced to the gentle art of fly-fishing in a fun and interactive manner. Our guides will ensure that guests catch their own trout, and our on site gourmet chef will demonstrate delicious and innovative ways of preparing fresh trout, as well as serving a full luncheon.

We have a variety of different menus to suit your taste and budget, and each event is tailor-made to your requirements. There are other activities available, and your own talks and presentations can be incorporated into the itinerary. The events are suitable for everyone, and prizes can be presented to participants at the end of the day.
